Relations with Law Enforcement Agencies

Because of the many support services which the local law enforcement agencies provide to the schools, staff, and students, the Board of Education desires to maintain the best possible relationship with those agencies, bearing in mind the responsibility the schools have to see that the legal rights of staff and students are properly protected.

The Superintendent is directed to establish lines of communication with the local law enforcement agencies in order to effect the kinds of cooperation needed for the security of the school facilities, the safety of students and staff, and better education of the students concerning law enforcement agencies.
