Just a reminder that there is no school Friday, March 29.

We celebrate a well-attended multi-language coffee hour this week. Families met with staff and community organizations to learn about our multi-language services as a school and translation services and support in the community. We look forward to holding more of these get-togethers in the future.

On Monday, dismissal will be from the cafeteria doors in the rear of the building due to the Registrar of Voters setting up the gym for elections.

Have a nice long weekend!

Virtual Art Show

Every March, in honor of Youth Art Month, Waterford students display artwork at the Waterford Public Library, Central Offices and their respective schools. Youth Art Month is an annual observance to emphasize the value of art education for all children and to encourage support for quality school art programs. Please stop at the Waterford Public Library and Central Offices to view some of the original pieces created by our students. Since space at these locations is limited, and we have many talented artists to showcase, we have created a virtual art show to share with families and friends around the globe.

Please see the attached Kindergarten Waiver Process for an outline of key dates and requirements.

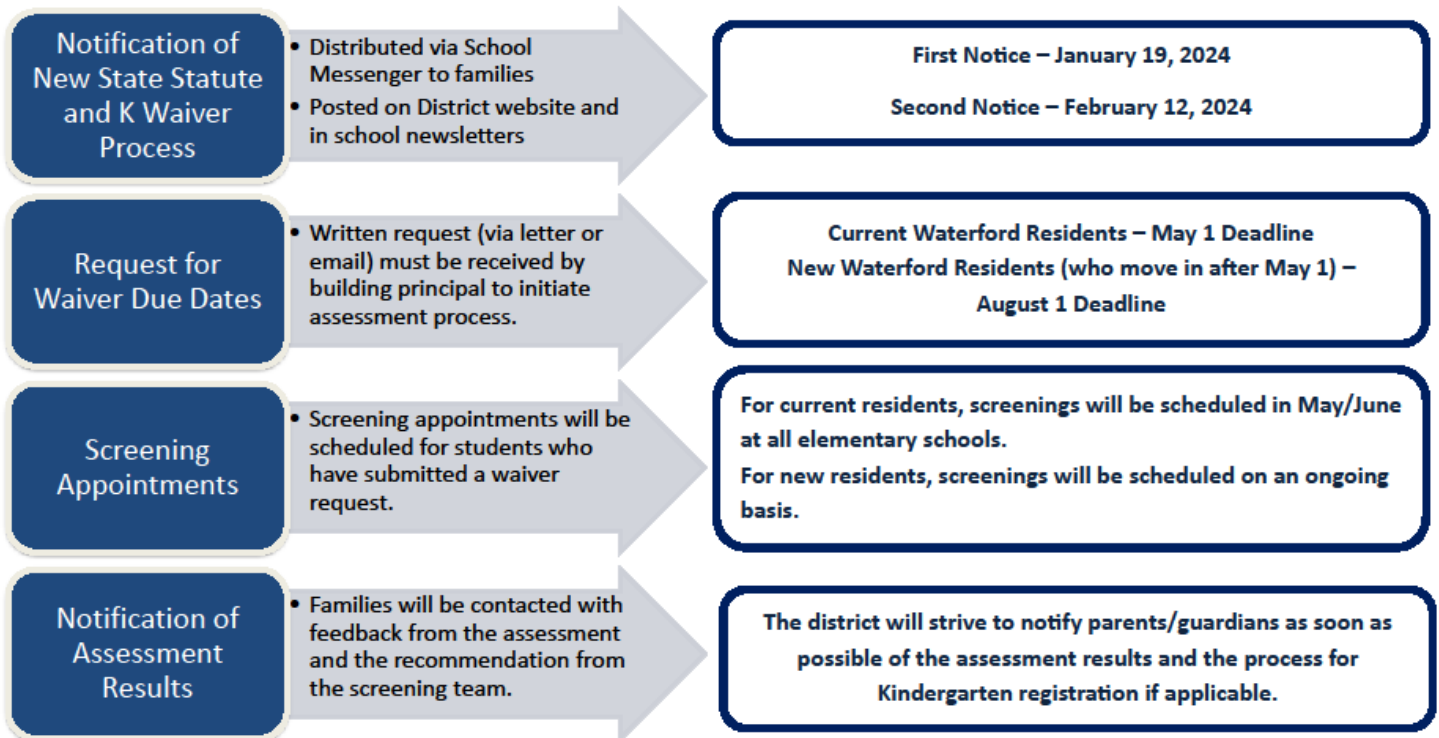

Please note that Kindergarten orientation (see dates below) will be open to all Kindergarten eligible students as well as the students in the waiver process. Information will be sent out to parents/guardians at a later date.

Complete this Application to Apply For FREE Summer Sailing Program

The Niantic Bay Sailing Academy (NBSA) is a non-profit 501(c)(3) organization based at the Niantic Bay Yacht Club in Niantic, CT.

We offer a 4 or 8 week summer program (June 21 – August 13) providing instruction for ages 7 – 18. All abilities are welcome - from beginner sailors to those who seek more competitive racing. Classes meet several times per week for several hours depending on ability. Participants must be able to swim and pass a swim test before they can begin sailing. Boats are provided.

Full or partial scholarships for the 4 or 8 week program are available to students from New London, East Lyme, Waterford and Old Lyme. We are especially seeking local youth who may not have otherwise been exposed to sailing, a sport which offers camaraderie, fun, competition and the development of life-long skills.

The Niantic Bay Yacht Club (NBYC) has been a leader in junior sailing nationally and internationally for over 50 years. Sailors from NBYC's Junior Program have gone on to compete in High school, collegiate, national, and world competitions as well as the America's Cup.

Equally important are the countless young men and women who have taken their experiences at NBYC and gone on to make sailing a lifelong passion, whether it be cruising, competitive racing, day sailing, or just enjoying the outdoors on the water.

For more information about junior sailing on Niantic Bay (or to register without the scholarship) go to www.NianticSailing.org.
