Newsletter 11.3.23.pdf

Thanks for a nice week!

We are looking forward to the OSO's Fall Festival this Saturday. I hope to see you there!

By this time, you should have received an invitation to family-teacher conferences. These are important meetings where the teacher and any support staff will keep you informed on what is happening in class and where your child is progressing. We will have translation services available for all that need them. Just let us know in advance so we can prepare.

Drop Off Reminders

- Students should not be leaving the car from the driver's side.
- Adults should not be leaving the car to assist students. If you need to assist your child, please park in a parking spot and walk them up.

Have a nice weekend!

Join us for our annual 'Stuff the Bus' event! As we approach the holiday season, let's come together as a community to make a difference and spread the spirit of gratitude. Help us fill a school bus with essential Thanksgiving and Holiday meal items to ensure that families in need can enjoy a warm and hearty meal during this special time of year.

Your donations will bring comfort and nourishment to those less fortunate in our community. Let's unite in the true spirit of Thanksgiving by stuffing that bus with love, compassion, and the means to create lasting memories.

We're asking for the following items from our Waterford Students and families

- 12th Grade Penne & Pasta Sauce
- 11th Grade Boxed Mashed Potatoes and Gravy
 - 10th Grade Stuffing + Applesauce
 - gth Grade Soup + Mac & Cheese
 - 6th—8th Grades Cereal + Oatmeal
- PK-5th Grades Granola Bars, Cookies, Dessert Boxes,

Brownie Mix, etc

Chase the Turkey and his friends will be starting their adventure at 8:30am at WHS, then on to CLMS, GN, OSW and ending at QH!

CONNECTICUT LIONS EYE RESEARCH FOUNDATION

KidSight USA Program - District 23C - Connecticut Lions

If you could save a child's sight with the press of a button, wouldn't you?

According to educational experts, **80**% of learning is visual, which means that if your child is having difficulty seeing clearly, his or her learning can be affected. Yet most young children don't get their vision screened until they have problems learning or paying attention in school. By then, it may already be too late. Unless vision problems are detected early and corrected, they risk becoming permanent by age 7.

The Connecticut Lions Eye Research Foundation (CLERF....of which every Connecticut Lion is a member) through its Lions Eye Health Program has funded WelchAllyn SPOT® vision screeners that are available to every Lions Club in District 23C, enabling you to screen FREE of charge all children from 6 months through grade school with the primary emphasis on the 0-6 years.

Last year with the help of the **WelchAllyn SPOT** paediatric scanners in our District, we screened over 10,000 children in pre-schools, kindergartens and elementary schools. The protocols we use are HIPPA compliant and everything needed to carry out this program is funded by CLERF. Thanks to the success of this program, many nurseries and schools, if approached by a Lions club, are now taking advantage of this free service when they see the scope of the screening offered. It is over and above the simple acuity charts used still in schools. Lions Clubs International (LCI) has launched this program nationally as KidSight USA and proudly uses our Connecticut program as one of its models.

Our mission is to ensure that **free vision screening** is given to all kids because every child deserves to learn and see the world clearly! The children in our communities who benefit ad there are approximately 250,000 children in our target age range (0-6years) in Connecticut.

If your Lions Club has not taken advantage of this program, you are doing a disservice to the children in your community. This program is easy to implement, the scanner is very user friendly, requiring no cognisant input from the child. Screening results from the past 3 years show that typically 10-12% of kids screened in this area were referred for a follow-up exam by an eye-care professional. Approximately 5% of all children in the age group of 6 months to 6 years, will have amblyopia, a treatable disorder that can result in permanently reduced vision when not addressed at an early age.

INTRODUCING TO FAMILIES OF 4TH - 12TH GRADERS...

The Waterford Public School district is excited to announce its partnership with Securly in safeguarding our students, your children. Securly Home was chosen because we shared a vision of a safer, more productive digital world for our students.

Now parents of students in grades 4-12 can get the same peace of mind when school devices come home. See your child's online activity during after-school hours, pause your child's device, and turn off online access.

Through this partnership, the students of Waterford will be protected everywhere, on any school-issued device. You should have received a welcome email that provided you with instructions on how to download the app and connect with your child's online activity, so please be sure to locate it if you missed it!

Further information about Securly Home can be found on our WPS district website (Technology > One-to-One Device Program Information). There are resources there to help you become more familiar with Securly Home and how to use it.

We want to hear from you!

Every year, 18,000 patients are diagnosed with life-threatening blood cancers or other blood disorders that could be cured or treated with a blood stem cell transplant. But 70% of them don't have a fully matched donor in their family. They depend on Be The Match® to find an unrelated donor. Adapted from //mv.BeTheMatch.org/strongestboy

The Waterford community, including families within our district (see below), have been impacted by these cancers and are looking to raise awareness regarding the Be The Match® program and the need for donors for bone marrow transplants.

Please visit //my.BeTheMatch.org/StrongestBoy for more information on this life saving program and for the process to become a donor.
