

Thank you for a particularly nice week! Here are your flyers:

Staff were so excited to return from break and see the beginnings of the new OSW Garden. Thank you to our OSO and the family volunteers that are refreshing this very important part of our school. We will have news on planting soon!

The Spring Concert was exceptional. Our students were poised and practiced, and Mr. McCleary, Mrs. Taylor, and Mr. Chiapetta were rock stars. Thanks to Mrs. Nelson for attending the daytime show as well with her baby! Here is some footage of the daytime show:

I received word from our Director of Facilities that parking spaces from the garden to the rear of the building will be painted in during summer break. This will maximize the amount of room for families have during pickup.

Have a great weekend!

Kindergarten Waiver and Assessment Process

For families affected by the new Kindergarten eligible date, in accordance with state statute, the district will assess a child who does not meet the statutory age requirement if the child's parent/guardian has submitted a written request to the principal of the school seeking early admission to the District. Waiver requests must be received by the building principal to initiate the assessment process no later than May 1st for current residents and no later than August 1st for new residents (who move in to the district after May 1). For families who have submitted a waiver request prior to the above noted deadlines, an assessment screening will be scheduled in May/June for current residents and on an ongoing basis for new residents. Screenings will assess students based on the [Connecticut Early Learning and Developmental Standards](#). Families will be contacted as soon as possible with feedback from the assessment and the recommendation from the screening team. Please see the attached Kindergarten Waiver Process for an outline of key dates and requirements.

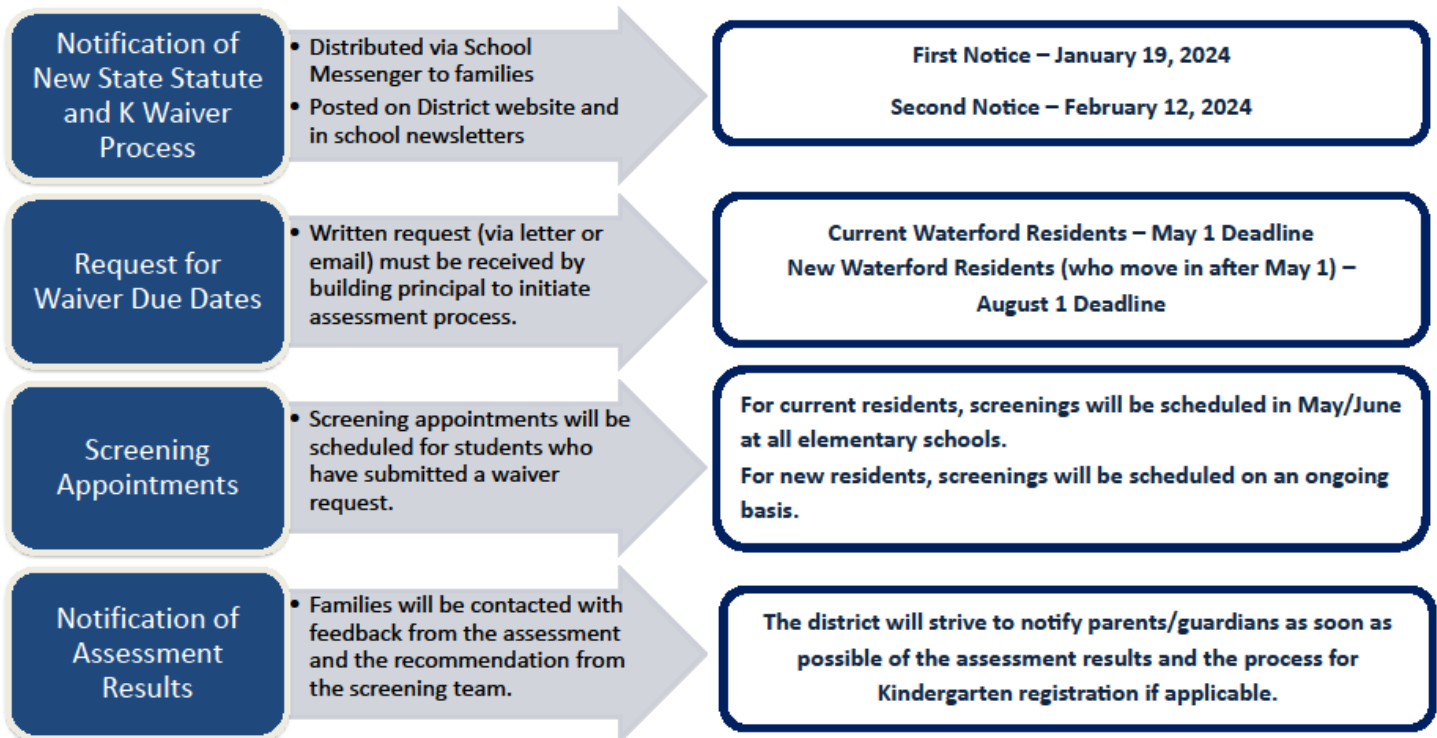

Please note that Kindergarten orientation (see dates below) will be open to all Kindergarten eligible students as well as the students in the waiver process. Information will be sent out to parents/guardians at a later date.
